

Maya Fernandes

T&E and P-Card Operations Lead
maya.fernandes@example.com | +1 (555) 019-2244 | Austin, TX

Summary

T&E and P-Card operations lead with 7 years of experience owning end-to-end travel and expense operations for a shared services finance organization. Skilled at resolving complex claims and exceptions, enforcing policy compliance, and driving audit readiness and SLA/KPI performance across a distributed team.

Experience

T&E Operations Lead — GlobalFin Shared Services 2021 – Present

- Lead daily T&E and P-Card operations, resolving complex claims and exceptions escalated by front-line analysts.
- Independently audit complex expense claims, identify recurring patterns of policy misuse, and recommend corrective actions to leadership.
- Own control execution end-to-end: explain evidence to internal audit, support remediation, and prevent recurrence of control gaps.
- Independently monitor SLA and KPI dashboards, driving recovery actions when backlog or turnaround time slips.
- Manage the T&E work queue, balancing throughput against quality and reallocating analyst capacity by risk and complexity.
- Deliver right-first-time processing on high-value and exception claims, reducing rework and rejection rates.

Senior T&E Analyst — GlobalFin Shared Services 2018 – 2021

- Processed complex travel and expense claims, validated receipts against policy, and resolved escalated exceptions.
- Supported month-end close checklists and policy compliance audits.

Skills

T&E and P-Card operations, exception and claims management, policy compliance auditing, SLA/KPI governance, backlog and queue management, stakeholder coordination, audit and close support, SAP Concur.

Education

B.Com in Finance — University of Texas at Austin
