Summary

Record-to-Report banking preparer with 5 years executing bank reconciliations and cash postings for a global shared services finance function. Consistently delivers on-time, SOX/IPE-ready reconciliations with clean, traceable evidence in line with RTR banking SOPs.

Experience

Banking Preparer, RTR — Continental Finance Shared Services 2020 – Present

- Perform daily and periodic bank-to-GL reconciliations across multiple entities, ensuring accurate bank-to-GL matching and timely identification of reconciling items.
- Execute SOP-compliant cash postings and clearing transactions with supporting evidence for every entry, maintaining an auditable trail through the close cycle.
- Maintain open-item aging reports for reconciling items, escalating blockers before they impact close timelines.
- Produce traceable SOX and IPE evidence packages for internal and external audit review, reducing rework during quarterly audit cycles.
- Reduced aged reconciling items on assigned entities by identifying root causes and coordinating with upstream teams.
- Use SAP and BlackLine for reconciliation preparation, journal posting support, and evidence documentation.

RTR Associate — Continental Finance Shared Services 2018 – 2020

- Supported month-end close activities, including journal entry preparation and balance sheet account reconciliations under supervision.
- Assisted with fixed asset and banking schedule updates for quarterly close.
