

Fatima Al-Sayed

Consolidation & Reporting Preparer
fatima.alsayed@example.com | +1 (555) 088-1147 | Dallas, TX

Summary

Consolidation preparer with 6 years executing group consolidation cycles end-to-end – entity submissions, eliminations, FX translation, system loads and reporting packs – under OneStream governance with full SOX/IPE evidence.

Experience

Consolidation Preparer — Northbridge Financial Services Hub 2020 – Present

- Track entity submissions across the consolidation cycle, chasing outstanding entities to keep the group timeline on track.
- Manage intercompany eliminations, FX translation, and system loads into the consolidation platform.
- Validate consolidated balances, entity mappings and tie-outs before pack finalisation.
- Prepare the group reporting pack with supporting SOX/IPE evidence for statutory and management reporting.
- Maintain load validation logs and elimination/adjustment support files for audit traceability.

R2R Analyst — Northbridge Financial Services Hub

2017 – 2020

- Supported monthly close reconciliations and consolidation data preparation for regional entities.
- Assisted with FX rate loading and intercompany matching under supervision.

Skills

Group consolidation, eliminations and FX translation, OneStream, financial reporting, reconciliations and clearing, SOX/IPE evidence, ERP finance tools, attention to detail.

Education

B.Com in Finance — University of Texas at Dallas
